A Choice Repertoire

Much anticipation is already shown over the engagement of the Marks Brothers Dramatic company at the Opera se all of next week with Wednesday and Saturday matinees. The fact that such famous plays as "Saved from Si-beria," "The Banker's Wife," "Nell beria," "The Banker's Wife," "Nell Gwynne," "The Gambler's Daughter," "A Bird in a Gilded Cage," "Anona, the In-dian Maid," "At the Point of the Sword," "The Duke's Daughter," and "Under Two Flags" are to be presented at popular prices is an announcement that carries more than the ordinary importance to an engagement of this kind. No other attraction has ever attempted a repertoire as pretentious as this or one that involves so great a care in general moun ting of the plays. The complete scenic production and no local settings are used from the opening to the closing bill. The company numbers eighteen people headed by the charming actress, May A. Bell Marks, is unusually clever and thoroughlive competent to preperly handle the fine line of plays announced for this engage-ment. On Monday evening the great comedy drama, "The Banker's Wife," will be produced with all special scenery electrical and mechanical effects. Ladies' tickets 15 cents for Monday evening if bought at the advance sale before 6 p. m. Monday.

out. When you grow irritable, melancholy and nervous your nerve force is decaying and vitality is becoming low. Disease acts on those whose blood is watery, impoverished or impure, and never affects persons who have plenty of rich and pure blood. Dr. Chase's Blood and Nerve Food supplies what is lacking in the blood and nerve force. It contains everything that makes new and rich blood and perfect nerves, in fact, it is blood itself-the very essence of nerve force, making it the grandest of all tonics for the sick, convalescent and overworked. It restores vim, vigor and vitality to aged and worn out people, and imparts a glow of health to pale and sallow people. Price 50 cents.

MUSICAL POSTAL CARDS.

Novel Development of Prevailing Crare for Coming Season. A striking novelty in pleture post cards is about to be placed on the

market by a French syndicate, says the London Mail. To an ordinary pictorial card is arfixed a very thin transparent gelatine OTTO COKE 6.60 disk, on which is impressed a gramo phone musical record. A hole is plerced through the center of the disk, and the post card can be placed on Depot Square. an ordinary talking machine and

played in the usual way: The musical post eard opens up an entirely new field for the craze. Photographs of great singers and com posers will be accompanied by extracts from their works, pictures of national flags by the anthems of the different countries and so on in endless variety Candidates for political honors, instead of sending merely their photographs to constituents, will be able to accompany them with the phonographic records of an election address.

The additional cost as compared with ordinary cards is very slight. The disk. being perfectly transparent, does not in any way interfere with the picture
